CAFO.3.17.rev'd.169.corrupt.font.doc ProposedCAFO.3.10.09.PDF CAFO.3.10.wpd

Jay, unfortunately for both of us my WORD files with this proposed CAFO are corrupted but the pdf is good, however, there are a couple of things in the penalty boilerplate that are incorrect, but harmless errors. I think the 17th version has them corrected but then the font became corrupted when it changed from WP to Word. How annoying!

Good luck,  
John

Or PA RCRA C SCAFO - Jay can convert to an APO. Also, can someone send Jay a relatively recent RCRA C APO, any state (to use as a RCAR C APO model)? Thanks.

Could someone please forward along either a model or a recently drafted Pennsylvania RCRA-C Complaint to both myself and Natalie Katz at your earliest convenience.

Thanks,  
Jay
